

## **Business Unit Manager - Carson**

### **Job Description:**

PCC Logistics, headquartered in Oakland, is the premier Container Freight Station on the West Coast with 10 warehouse operations strategically located within major West Coast Ports. We are looking for a business unit manager for our Carson facility.

PCC Logistics is a Multi-Focused/Multi-Faceted organization providing an array of transportation solutions through its umbrella of divisions with each providing its own unique value proposition. Each business unit, independent of the others, offers its own unique service and pricing model, as well as the respective core service business niche; Warehousing, Trucking, Cross-dock, Temperature Sensitive Trans-loading and Distribution, all independent of each other - but all under one company umbrella.

PCC Logistics' unique ability to handle freights of all kinds, coupled with our reputation for dependability and customer-focused service, has led to our growth and our range of services. Our ability to provide these services within proximity to major Ports is our competitive position; it allows us to better service the needs and provide an economical solution to our fortune 500 customers, as well as the small to mid range business partner. We, at PCC Logistics, continue to strive to be the premier service provider within the first to last mile in the goods movement chain to companies seeking a logistics partner.

### **Job Requirements:**

- PCC Logistics seeks a professional manager to oversee the day-to-day activities of a business unit, while simultaneously working on long-term planning, strategy and tactical execution.
- The right candidate must possess industry experience in administering the components of a transportation service company.
- Candidates with knowledge of transportation, warehousing-with an emphasis on steamship lines, railroads, temperature sensitive cargo and food grade handling- are highly desired.
- You will be responsible for full P & L. You will drive the business unit to deliver corporate goals and in return, you will participate in an exceptional performance bonus program. We are looking to hire an entrepreneurial-minded professional with the right combination of experience in Sales, Operations and Administration of the entire business unit.

**Educational Requirements:**

- BS Degree or a combination of collage and work experience.

PCC Logistics offers competitive salary and benefit packages, exceptional performance bonus. Must provide salary history and salary requirements.
